

TOWN OF PITTSFORD

Building Department

FENCE FACTS

1. Fences do not require permits.
2. Fences must be installed "finished side" out.
3. The max height of a fence is 6 feet including fences placed on landscaped berms.
4. 6 foot fences can be placed on the property line in the back yard and side yard up to the front façade of the home.
5. Fences under 3 feet can be placed forward of the front façade of the home but must be placed out of the right of way.
6. Before installing a fence look at the properties survey for any easements. Fences must not be installed in easements.
7. **If your home is located on a corner lot please contact the Building Department for special requirements.**

★ If you have any questions please contact the Building Department at 248-6265
