

PHOTO-A-DAY CHALLENGE

October is National Arts & Humanities Month and we are commemorating the arts with a Photo-A-Day Challenge. *Logistically, it's a snap.* All you need is a phone or tablet with a camera and to follow us on Instagram or like us on Facebook. *Creatively, it's a challenge.* We'll inspire you with a daily theme; you snap the photo. Can you guess what the daily themes have in common?

Here's how it works:

From October 1 to October 31 take a photo that fits with each daily theme. If you start late or miss a day, then just catch up. All photos must be submitted by midnight October 31st.

Post each photo to Instagram or Facebook using the hashtag #pclsoday and tag @pittsfordcommunitylibrary.

Participants who post a photo for all the daily themes will be entered into a drawing for a \$25 eGift Card to Barnes & Noble.
