## Minutes of the Town Board for May 18, 2021

### **OTHER BUSINESS**

Councilmember Townsend noted that since this year marks the 25<sup>th</sup> Anniversary of the Greenprint Plan in Pittsford, it presents an opportunity to celebrate this milestone for the Town. She suggested the possibility of a cycling event/bike tour that would take cyclists on a circuit that would include some of the farms preserved by the Greenprint, which would include history of the Greenprint and the individual farms. After discussion, Chief of Staff Spencer Bernard, stated he would work with our GIS department to come up with a route and map, with Communications Director Shelley O'Brien and with Commissioner Paul Schenkel to coordinate activities with the farmers involved.

Deputy Supervisor Munzinger reported that some of the volunteer boards have expressed an interest in returning to in-person meetings, and have asked for guidance from the Town Attorney.

Supervisor Smith noted recent misleading information discussed publicly about the Town's Code of Ethics. He noted that the Town has had a Code of Ethics in place for years, substantially the same as all of the other local Towns have, that it was adopted in accordance with State law and has the full force of law just as in every other Town. Councilmember Koshykar objected to this characterization of it being a similar document to other Towns.

Supervisor Smith then indicated that in order to avoid public misunderstanding caused by deceptive or false public statements about our Ethics Code, he is appointing a bipartisan Board Committee consisting of Councilmembers Townsend and Munzinger to review our Ethics Code and report to the Board any recommendations for changes that they view as necessary or desirable, for Town Board consideration. Councilmember Townsend concurred that based on her research of other Code of Ethics documents in this area, our Code of Ethics document is similar to other Towns. Town Attorney Koegel also agreed that the Town's document, although not exactly the same, is substantially similar to all of the other Towns contiguous to Pittsford, all having worked off of the McKinney's form. The Town Attorney is ready to move forward in working on this document with Councilmember Townsend and Munzinger.

### **PUBLIC COMMENTS**

Comments were offered by Tharaha Thavakumar, Annalise Johnson and Patricia Kerper.

In discussion about honoring Pride Month in June, Supervisor Smith noted that two rainbow flags have been ordered for placement at both the Library and the Spiegel Community Center, the two municipal buildings with the most visitors. There was additional discussion about additional signage at the Recreation Center to reaffirm Pittsford as a welcoming community and also about signage or symbols requested in support of law enforcement.

With no further business, the meeting adjourned at 6:53 p.m.

Respectfully submitted,

Linda M. Dillon, RMC  
Town Clerk

- An extra 35 gallon (closed container) recycling tote is available at a cost of an additional \$42/year, which would be invoiced up-front. This is a closed rolling-wheel tote as a rental on an annual basis.
- Residents can purchase their own rolling recycling tote and use for their recyclables at no additional charge.
- No credit is available if you choose to buy your own totes.
- All residents in the district receive: 96-gallon trash tote and two (2) recycling bins
- You can request that bins or totes be omitted from delivery should you not want them (as you are purchasing your own).
- Recommends that bins that are purchased by individuals themselves, please mark them either garbage or recyclable and he will coordinate with Commissioner Schenkel and/or Renee to provide identifying stickers for residents to use on the bins
- Recycling tote preference for Seyek is the 35 gallon, but will most likely not impose an additional fee to pick up a larger tote
- The contract will allow for up to 6 additional garbage bags in addition to the 96 gallon tote. Therefore, if you have a bulk item to be picked up, such as a large box, it can be placed next to the tote and it will be picked up.
- The \$1/month charge for an additional tote is a separate charge for non-refuse district collections; this is a special to others that are not in Refuse Districts
- Credits will be given to those who are currently (or recently) signed up for the service (prior to the Refuse District being formed); it will be credited in relation to when the service began.

Robert Koegel, Town Attorney, upon request, reviewed generally how the Refuse Districts are formed, the threshold in each neighborhood needed to permit the Town Board to create a Refuse District. Attorney Koegel explained that this is determined by the majority of the assessed value of the real property in the proposed district.
